The Tenderers who secure more than or equal to 70% marks in the Technical Proposal shall only qualify for consideration of decrypting of financial proposal. Financial Proposals of all qualifying Tenderers will be decrypted. The score on price quote will be calculated in the following manner:

The lowest Financial Proposal (Fm) will be given a financial score (Sf) of 100 marks. The financial scores of other proposals will be calculated as per the formula given below:-

$$Sf = 100 \times Fm / F$$

in which

Sf is Financial Score,

Fm is the lowest Price, and

F is the Price of the Financial Proposal under consideration.

Total score will be worked out by adding the weighted marks on technical and financial proposals. Weightage to each of the aforementioned proposals would be as under:

a)	Technical Proposal including presentation	70%
b)	Financial Proposal	30%
		TOTAL 100%

Combined and Final Evaluation

The Tenderer scoring highest weighted score will be considered for award of work. The lowest Evaluated Financial Proposal (Fm) will be given the maximum financial score (Sf) of 100 points.

Combined weighted score (Sc) will be calculated by using following formula-

St = Technical Score

Sf = Financial Score

Sc = The Combined Score will be calculated by assigning 70% weightage to

Technical Score (T) & 30% weightage to Financial Score (P)

Therefore $Sc = St \times T\% + Sf \times P\%$.

The selected tenderer shall be the first ranked having the highest combined score.
